

Company Overview

Nationwide Valuations' primary focus is Small Business Administration (SBA) funding appraisals which assures our lending partners the dedication and commitment they can count on day in and day out.

Nationwide Valuations' Appraisers have been involved in the appraisal of thousands of companies, covering almost every industry, ranging in value from \$50,000 to over \$500 million. That experience has qualified us to meet the requirements of the Internal Revenue Service, national lending institutions, and courts of law around the country.

Our appraisers have performed work for many financial institutions such as Wells Fargo, JP Morgan Chase, BNB Bank, United Western Bank, US Bank, Huntington Bank, BB&T, Key Bank and many, many more. For Buy/sells, Equipment appraisals, Divorces, partnership buyouts, estate planning for gift and inheritance taxes, we are your source. Reputation and years of experience assure our clients of the highest quality of work.

Welcome to Nationwide Valuations!

Lenders! . . . Are you tired of the endless 'to do's' when it comes to closing your SBA buy/sell transactions and valuation requirements?

Do these questions sound familiar?

- Who do I call for business valuations?
- When do I need to do a business valuation?
- What about Machinery; is that a separate report?
- How do I remain third party to the transaction as per SBA?
- My closing is in a week! How can I get a valuation completed to close on time?
- All this paperwork; isn't there an 'easy button'?

Rest assured, confident in that your SBA valuation needs are met and exceeded;

- Compliant
- On time
- With quality
- At an exceptional price

RUSH? Not a problem!

M&E? Nationwide Valuations has it covered.

WE ARE YOUR 'EASY' BUTTON!

Simply initiate the process and we take it from there! Expect the valuation completed and returned to you in as little as 5 BUSINESS DAYS!

Certified Business Appraisals

Nationwide Valuations' qualified appraisers are leaders in their field, having completed stringent education and testing. Our appraisals meet all SBA and USPAP requirements and are created and reviewed by members of the following organizations:

- Accredited Senior Appraiser (ASA), American Society of Appraisers, Business Valuation Discipline
- Certified Business Appraiser (CBA), The Institute of Business Appraisers
- Accredited Valuation Analyst (AVA), National Association of Certified Valuation Analysts
- Certified Machinery & Equipment Appraiser (CMEA), NEBB Institute

Nationwide Valuations has access to vast, national databases of Minority Discounts, Industry Analysis, Demographic Studies, and multiple sources for extensive on-going research on comparable sales for businesses in almost every industry.

Quality, User-Friendly Reports

Our lenders have come to rely on Nationwide Valuations for a high quality product, quick turnaround and very competitive pricing. We pride ourselves on providing our lending partners easy methods of communication. Our client questionnaire is streamlined and focused. Financial data can be easily uploaded to our secure ftp site, emailed, FAXed or mailed. We want your user experience to be as efficient and painless as possible, again your 'easy' button in the valuation world!

Certified Machinery and Equipment Appraisals

Nationwide Valuations has a team of Certified Machinery and Equipment Appraisers (CMEA) that have performed hundreds of extensive machinery and equipment appraisals worldwide with an unquestionable reputation for accuracy and quality.

Certified Machinery and Equipment appraisals, on-site and desktop, custom quoted.

Nationwide Valuations is one of the only appraisal firms that can offer both business appraisals and machinery and equipment appraisals. Make us your one stop valuation source. Remember, 'We Value' our Clients, we are your valuation experts!
