

Spotlights: North Texas Association of Government Guaranteed Lenders (NTAGGL) creates Scholarship Endowment

In 2013, FCEF added to its list of scholarship endowments the North Texas Association of Government Guaranteed Lenders (NTAGGL). NTAGGL is an association of Government Guaranteed lending professionals and support organizations who utilize the guarantee programs of the Small Business Administration to provide training and networking through their associated membership.

NTAGGL's decision to establish an endowment came after just 2 years of a scholarship partnership with FCEF where in 2012 NTAGGL awarded 6 -\$1,000 scholarships to low to moderate income students majoring in Economics, History, Justice Systems, Political Science, Philosophy, Psychology, Religion or Society and Environment.

The NTAGGL Board of Directors, through its membership base, raised over \$40,000 to create an endowment with FCEF. This endowment should be completed in early 2014 and will allow NTAGGL to continue their ongoing commitment to scholarships for higher education of our youth. "We are very proud of our membership base and all who have donated and have worked so hard to make this scholarship program a success," says Ms. Helma Gentry, President of NTAGGL. NTAGGL's Scholarship Award Program is largely dependent on contributions and donations from NTAGGL Members and Associate Members.

We are extremely proud of our partnership with NTAGGL. They are making great things happen!
